## CONNECTED TRANSACTION

### WELL AGREEMENT

On 10 August 2021 (after trading hour), Ningxia Deliheng and Beijing Huaye entered into the Well Agreement, pursuant to which Ningxia Deliheng agreed to provide drilling services of an aggregate of 63 oil wells for Beijing Huaye for the purpose of extraction of petroleum.

### LISTING RULES IMPLICATIONS

As at the date of this announcement, Mr. Han Jinfeng is the majority ultimate beneficial shareholder of Beijing Huaye (holding 64% effective interest thereof). Mr. Han Jinfeng is a cousin of Mr. Chen Jinle, the Chairman, an executive Director and substantial shareholder of the Company. Therefore, Beijing Huaye is an associate of a connected person of the Company and is therefore a connected person of the Company. The highest percentage ratio is more than 25%. The Well Agreement and the transactions contemplated thereunder constituted connected transactions of the Company and are subject to the reporting, announcement and Independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

### WELL AGREEMENT

On 10 August 2021 (after trading hour), Ningxia Deliheng and Beijing Huaye entered into the Well Agreement, pursuant to which Ningxia Deliheng agreed to provide drilling services of an aggregate of 63 oil wells for Beijing Huaye for the purpose of extraction of petroleum.

The principal terms of the Well Agreement are set out below:

Date: 10 August 2021

Parties: (1) Beijing Huaye as developer; and  
(2) Ningxia Deliheng as contractor.

Construction Period: Construction period for each oil well is 15 days commencing from the date on which Beijing Huaye issues a notice of commencement of construction to Ningxia Deliheng

Nature of transactions: Ningxia Deliheng shall provide drilling services of 63 oil wells for Beijing Huaye. Ningxia Deliheng shall prepare all equipment, materials and manpower..

Beijing Huaye has the right to inspect the conditions of the drilling sites and supervise the works of Ningxia Deliheng and may prohibit any designs or works which do not comply with the relevant requirements.

It is anticipated that the drilling work will be completed in 2022.

Fee: The total fee shall be in the aggregate sum of RMB748,171,700.00

For each oil well, Beijing Huaye shall pay Ningxia Deliheng:

- (a) 10% of the fee as initiation fee;
- (b) 10% of the fee upon completion of drilling of each oil well;
- (c) the remaining 80% of the fee for each oil well within 3 months after completion of inspection of each completed well, subject to keeping of retention money equivalent to 10% of the fee, which shall be released upon expiry of the warranty period.

The fee under the Well Agreement was determined on a cost-plus basis and represents a mark-up rate of 30%, which is within the industry range of 20–50%. In determining the fee, the Board worked with the operation team and finance department to estimate the total costs, which mainly include, inter alia, the costs of preparation of well drilling, the cost for drilling work (including, inter alia, equipment, staff cost, electricity and water expenses, etc.) and monitoring cost. The fee was arrived at after taking into account the mark-up rate.

Warranty period: Ningxia Deliheng shall provide a warranty period of 6 months after delivery of each completed oil well, during which Ningxia Deliheng shall be responsible for the repair and maintenance of the oil well.

## **REASONS FOR AND BENEFITS OF THE ENTERING INTO THE WELL AGREEMENT**

The Company is principally engaged in energy-related business. Therefore, the oil well drilling business is within its ordinary and usual course of business. The Company has developed its expertise in drilling works of oil well. The Board believes that by entering into the Well Agreement, the Company can further enhance the Group's market exposure and brand name in construction of energy-related facilities.

The Group has satisfied the relevant eligibility requirement of oil well drilling and has established the necessary staff team to carry out the same. It is believed that the Well Agreement can enhance the profitability of the Company and to further accumulate experiences and develop expertise in construction of energy-related facilities, so that the Company can collaborate with other business parties in this field in the future.

## **VIEWS OF THE DIRECTORS**

The Directors (including the independent non-executive Directors) consider that the terms of the Well Agreement are on normal commercial terms and are fair and reasonable and in the interest of the Company and the Shareholders as a whole.

Mr. Chen Jinle, the Chairman, an executive Director and a substantial Shareholder who has interests in the transactions contemplated under the Well Agreement by virtue of his family relationship with the majority ultimate beneficial owner of Beijing Huaye, has abstained from voting on the board resolutions approving the Well Agreement.

## **INFORMATION ON THE GROUP**

The Group is principally engaged in (i) energy trading; (ii) energy transportation; (iii) operation of digital energy trading park; (iv) customs declaration services; (v) speaker manufacturing and trading business; and (vi) trading of electronic products.

Ningxia Deliheng is principally engaged in oil well construction and repairment.

## **INFORMATION ON BEIJING HUAYE**

Based on the information available to the Group, Beijing Huaye is principally engaged in energy technology development, technology transfer, project investment, sale of electric devices, sale of computer and construction materials.
