The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited management accounts of the Group for the six months ended 30 June 2018, the Group expects to record a net loss attributable to the equity Shareholders as compared to that of the net profit for the corresponding period in 2017.

Based on the information currently available to the Board, the expected net loss for the six months ended 30 June 2018 is mainly attributable to (1) a decrease in sales revenue from the energy trading business; (2) an increase in the finance cost; and (3) no material revaluation adjustment from the Group’s investment properties as compared with the fair value gain approximately HK\$26.36 million for the corresponding period in 2017.
